Thank You for Your Service

Thank You from the USO

The USO Georgia Team is sincerely thankful for the Dunwoody Rotary Club and for each member who served lunch through our Meet & Treat program on Thursday, September 20, 2023.

It is always a pleasure to watch your group interact with the service members and their families. Everyone always serves with a smile and keeps the USO Atlanta Center a relaxing place to rest while traveling. We also want to thank you, Dunwoody Rotary Club, and the multiple vendors for your generous donations. Service members, including recent graduates, and their families thoroughly enjoyed the snacks, homemade cookies, fresh fruit, hot dogs, and more! [\[more\]](#)

Dunwoody Rotary to Help Honor Vietnam Veterans

At our August 25 meeting we heard from John Butler, Board Chair for the Atlanta Vietnam Veterans Business Association, about plans to install a beautiful monument in Dunwoody's Brook Run Park to honor both American and Vietnamese soldiers who fought and died in the Vietnam War. This story includes images of the planned monument and information about it.

The RCD Board approved to commit the Charitable Fund to match donations of Club members up to \$2,500 so we can meet or exceed the \$5,000 level to have the Club's name and Rotary logo engraved on the monument.

If you'd like to participate, please make your tax deductible contribution to "Dunwoody Rotary Charitable Fund" and put "Vietnam War Memorial" on the memo line. Then give or mail your check to RCD Treasurer Carter Stout as soon as possible. [\[read more\]](#)

Flashback

What Were Dunwoody Rotarians Proud of 40 Years Ago?

As you probably know, the Rotary Club of Dunwoody will celebrate our 40th anniversary next May. A quick walk through the PAPER bulletins from our first year says a lot about who we are today:

- **Membership growth:** The Club grew from 35 to 51 members that first year - even with some turnover. "Someone offered each of us the opportunity to become a Rotarian - now we must pass on the favor to someone else." President Ernie Davis (1985-86) said "we must build for fellowship, friendliness and contagious enthusiasm."
- **Rotary Scholarship Programs:** The Club awarded its first scholarships as part of an essay contest - with four-year commitments to students at Marist and Peachtree High. The Club also welcomed Mary Beth Robertson as a speaker, a 1981 graduate of Oglethorpe who received a Rotary Foundation Fellowship and used it to receive a BA in History and Honors in International Policies at the Victoria University in Wellington, New Zealand. I'm guessing this is the precursor to today's Global Grant Scholarship program, led at the District level by our own Kathy Brandt.
- **Creation of the DeKalb Rotary Council:** to "substantially increase the profile of Rotary" in the community. It talked about Council projects to honor teachers (then with an apple hand-delivered to each teacher at each school), Skill-a-Rama (where future club presidents Ed Godshall and Gordon Anderson served as

judges for this DeKalb County Driver Education day) and Arrive Alive (a program that provided rides to and from prom in six metro Atlanta Counties).

- **The first Dozens for Dinner parties held in February 1985:** a program President Jack hopes to revive this year.

Interesting note: The bulletin also reported a 1985 tour of the Vogtle nuclear power plant under construction near Augusta - Units 1 and 2 went online in 1987 and 1989, and Unit 3 was activated this August.
