

A donut chart showing the distribution of responses for the question 'What is the most important factor in choosing a location for a new business?'. The chart is divided into 10 segments of different colors, each representing a different factor. The segments are labeled with their respective percentages: 36%, 15%, 8%, 8%, 6%, 3%, 3%, 3%, 2%, and 1%.

Factor	Percentage
Proximity to customers	36%
Availability of labor	15%
Transportation	8%
Proximity to suppliers	8%
Government incentives	6%
Quality of life	3%
Cost of living	3%
Proximity to universities	3%
Proximity to airports	2%
Proximity to highways	1%
