Football  
Fundraiser  
Supports  
Rotary  
Foundation**

By Kay Williamson  
As the college football season unfolded, the Rotary Club of Meriwether County and passionate "friends of Rotary" enthusiastically chose a college football team to rally behind and cheer for. Throughout this exciting season, members came together at Rotary meetings to passionately discuss and record their team's weekly scores, building camaraderie and friendly competition among them. By the conclusion of the regular football season, the Rotarians' commitment shone through as they collectively decided to donate an amount equal to their team's total points scored throughout the season. An impressive \$5,504 was raised, reflecting their love for the game and their dedication to supporting the Foundation in their names. [more]

## North Cobb Recognized as Peacebuilder Club

By Ada Wikina  
A new Peacebuilder Club is born!  
The Rotary Club of North Cobb is now also a Peacebuilder Club. The club got its certificate from the Rotary Action Group For Peace (RAGFP). As we celebrate the installing of yet another Peace Pole on the Marietta village of MUST MINISTRIES our club is committed to further. Jeff Bass, who is our champion for the installation of peace Poles says, we are engaging our community to imbibe inner peace, spread the message of peace to any and every one we come in contact with. Peace is not only the absence of war; it is reaching out and providing service to those around us and also to those we may never meet but sharing love through all avenues available to us. [more]
