Our Rotary Foundation  
The Foundation's Work Continues to Reach Further

By Bob Hagan  
As usual, there is lots to talk about and share with you all. I had the opportunity to put together some halfway through the year numbers of our DG Steve Ivory and he was extremely excited about where we found ourselves at this point in the year. So let me share them with you now. For District 6900, our annual fund goal for the year is \$307,000, and as of end of December we are already at \$347,000, which is 113% of the goal. Our Polio Plus goal for the year is \$158,000 and we are already at \$184,000 which is 116%! And there's much more good news ... including a global grant by the North Atlanta club that focuses on preventing birth defects associated with spina bifida in Ethiopia. [more]

In Memoriam  
**Celebrating  
the Life of  
Will**

**MacArthur**

By Margie Kersey  
Rotary's world shines a little less brightly today with the passing of William "Will" MacArthur of Sandy Springs, Georgia—a devoted Rotarian, a joyful servant leader, and a beloved friend to many.

Will's Rotary journey was marked by unwavering dedication and an infectious spirit. Most recently a member of the Rotary Satellite Club of Stone Mountain Passport, he served as Foundation Chair and resident champion of good humor, lifting spirits as naturally as he lifted service projects. Before joining the Passport club, Will contributed profoundly to the Rotary Club of Sandy Springs, where he faithfully served three years as Treasurer, four years as Foundation Chair, and ultimately as Club President in 2017-18. His commitment only deepened after his presidency, as he continued to guide and encourage fellow Rotarians through three years as Assistant Governor, helping clubs across the district reach new heights. By Katheryne Fields

**Julia Carlotto Biral of Brazil** and **Guang 'Loski' Jin of China** were recently

announced as the winners of the 2025-2026 Barbara M. and Donald L. Thomas Peace Award. The awards were presented in December by Rotary Club of Roswell

Committee Chair John Carruth, alongside GRSP Executive Director Katheryne Fields and Past District Governor Cheryl Greenway. Following a mission trip to Costa Rica in 2000, the Thomases were inspired to establish this award to support GRSP students in financial need who exemplify the Rotary motto of "Service Above Self." Since 2002, the Rotary Club of Roswell has administered this annual award, which has grown to two scholarships with \$3,000 per recipient.

## Once a Laws of Life Student - Now a UGA Bulldog

By Carol Gray  
Walker

**More than two years after writing his Laws of Life essay in 10th grade, Georgia Laws of Life alumnus CJ Allen, linebacker for the University of Georgia Bulldogs, recently reminded us just how lasting one moment of reflection can be.**

CJ reposted his essay on Facebook with a simple caption: *"My 10th grade project on Laws of Life. Lol read this. Moral of the story—keep going."* His Law of Life — *"Everybody goes through something. It's all about persevering."*

Do you want to read more of CJ's story? Are you and/or your club ready to work with schools, sponsor the program or judge this year's essays? Keep reading ... [more]

President Jose Gonzalez used the first meeting in January to present a mid-year review. He shared that the club has already gifted over \$30,000 to local and global non-profit organizations and completed many of its goals. The review set the stage for the rest of January, where the club joined in a unity walk with the City of Ackworth for the Martin Luther King holiday, painted the learning center that sponsors the Acworth Achievers Program, and restocked the Kennesaw State University food pantry. There's more to the story. [more]

Don became a Major Donor Level 2 and was recognized by PDG/DRFC Bob Hagan and Steve Ivory. He has been a huge service leader and has helped out so many people and organizations with his generosity and selfless methods to get things done. He does not seek out recognition and yet he has impacted so many lives. We all were entertained by the amazing stories told about Don's service.

## **North Cobb Rotarian Serves City of Acworth**

By Kimberly Haase  
The **North Cobb Rotary** year kicked off with an inspiring celebration of service as North Cobb Rotarian Judge Jaret Usher proudly swore in fellow Rotarian Kimberly Haase to the office of Alderwoman for the City of Acworth. Judge Usher, whose decade-long commitment to the county, and as a State Court Judge since 2022 exemplifies the very spirit of “Service Above Self” helped mark a historic moment on January 2nd in the heart of Acworth, GA. This milestone not only highlights the leadership rising within our clubs, but also showcases how Rotarians continue to shape our communities with integrity, dedication, and purpose. Cheers to a year of impact, fellowship, and bold new beginnings!

### **Roswell Adds Gratitude Wall to Weekly Newsletter**

By Becky Nelson  
With a focus on Service Above Self, the **Roswell Rotary Club** realized that it was not publicly recognizing fellow Rotarians when they showed up professionally for another member! In December President Trummie Lee Patrick III asked Kathy Igou (Rotascope Editor) to add a new section to our weekly newsletter after a conversation with Roswell Rotarian Hal Schlenger who was complimenting fellow RRC member Joe Mazzeo, a master plumber, for his prompt and professional response for a personal matter. Thus, The Gratitude Wall was added.
