ARE THERE GANGS IN OUR COMMUNITY?

Up Coming Speakers

OGIE SHAW, B.A., B.A., M.S.M.

Ogie has had a passion for fitness, health, business, and music all of his life. His career goal is to establish a model for a fitness lifestyle for Americans that is sufficient to impact physical and mental health. He has given over 5000 speeches on fitness motivation.

COME GET MOTIVATED AND HAVE SOME LAUGHS WHILE DOING IT!!!

Mark Johnson is a professional *mental-ist*, mind reader and psychic entertainer. He'll reveal the name of your first pet, a childhood friend, hometown, or the serial number of a \$1 bill picked at random. And that's just the beginning. Mark is funny, clean and what he does is impossible explain.

BRING A GUEST AND LET'S HAVE SOME FUN!

ROTARY MINUTE

What is GRSP?

GRSP is a peace program, a cultural scholarship. It is not a needs-based academic scholarship.

The goal of the GRSP program is to identify talented, ambitious kids from all over the world, bring them to Georgia for a transformative year at a critical time in their lives, where they learn about other cultures and establish life long friendships with other talented and ambitious young people. Our hope is that when these young people return to their home countries they will grow to become leaders in their professions and never forget the lessons learned on Georgia's campuses and Rotary clubs. **GRSP is a bet on the leadership of the world.**

Rotary of Henry County headed to "Lyric Studio Theatre in the Square" Come Join Us 8/24/17—8:00 pm curtain

The Plaids are back and better than ever in the crowd-pleasing favorite *Forever Plaid*. Who are the Plaids, you ask? They were a male pop quartet that died in a car crash on the way to their first big gig, and have been stuck in limbo ever since. Now they've got a second chance to fulfill their dream and perform the concert that never was. The four Plaids will sing in delicious four-part harmony and dance with charming, outlandish choreography and overzealous precision. In this production from Marietta Theatre Company, the boys will have you laughing in the aisles and humming along as they serenade you with some of the greatest 1950s hits, including "Three Coins in the Fountain," "Catch a Falling Star," "Heart and Soul," "Chain Gang" and "Love Is a Many-Splendored Thing" at Lyric Studio Theatre in the Square.

THANK YOU

To all of you that were able to attend the After-Hours social at the French Market in Locust Grove it was a pleasure to see so many in attendance.

Mark your calendars for our next After-Hours event 8/24 at Lyric Studio Theatre in the Square to see **Forever Plaid**
